Date: July 22, 2020 Office Location: El Paso
Office Status: Closed; COOP status

Operational: RADnet monitor in back parking lot of El Paso office stopped working. Contractor scheduled to repair on July 30, at 8:00 am.

Commented [PC1]: Erin – this may duplicate what you’ve heard from El Paso office – we just want management to be aware of activity/repairs while in COOP status.
